

Frequently Asked Questions

Commercial Racing

When are the tracks conducting live racing?

Please check "Racing Dates" on the Home Page for a listing of the current fiscal year live racing dates.

When is post time?

Post time varies from track to track; therefore, we suggest that you visit the website of the racetrack of interest. For your convenience we have added direct links to their websites from the Department of Racing's website, click on "Commercial Racing" on the Home Page and select the track link of interest.

When I enter a horse to race at a track in Arizona, do the registration papers have to be on file at that track?

Horses may be entered to race at any commercial or county fair racetrack if the registration papers are on file with a racing office of a permittee currently conducting live racing in Arizona.
